Mr (?) Fr. (?) Charles White,

I received your e-mail with the links.

Why do you spread over all the world what is strictly personal to Fr. Luis? I am now his Bishop; do you think that I don't know his situation and why he is here in my Vicariate? Do you think that I am so imprudent as to accept a priest without knowing his personal background? So, why, do you send to me and to others all this information which is very partial? What is your aim in doing that? The good of Fr. Luis, or of the Church? It is not you who is in charge to save the Church in my Vicariate. Be ashamed! If you are without sin, be the first to throw a stone at him!
